Analyst Trip to Jaguar's Operations

Jaguar will be hosting a tour of its operations in Brazil April 13-16 and is open to qualified investors and analysts. If you have an interest in participating in this upcoming tour, please contact Valéria DioDato or Bob Zwerneman.

About Jaguar

Jaguar is one of the fastest growing gold producers in Brazil with operations in a prolific greenstone belt in the state of Minas Gerais and has plans to develop the Gurupi Project in northern Brazil in the state of Maranhão. Jaguar is actively exploring and developing additional mineral resources at its approximate 575,000-acre land base in Brazil. The Company has no gold hedges in place thereby providing the leverage to gold prices directly to its investors. Additional information is available on the Company's website at www.jaguarmining.com.
