#### **About Jaguar**

Jaguar is one of the fastest growing gold producers in Brazil with operations in a prolific greenstone belt in the state of Minas Gerais. The Company is actively exploring and developing additional mineral resources at its 72,000 acre land base in Minas Gerais and on an additional 159,000 acres in the state of Ceará in the Northeast of Brazil through a joint venture. Jaguar has no gold hedges in place thereby providing the leverage to gold prices directly to its investors. Additional information is available on the Company’s website at [www.jaguarmining.com](http://www.jaguarmining.com).
